Dear Sir:

I am writing to enclose the registration card and Refund Application, as per your request, in order to have the \$30.00 refunded to me.

After a lot of thought I have decided to ask you about the previous years, due to the fact we have had the more expensive plates since 1936, I was wondering if the License Bureau would feel we were entitled to a refund for these years.

Please accept my thanks for your co-operation in adjusting this matter for the current year, and be assured I would greatly appreciate your response about the previous years.

I am mailing the plates to you under separate cover.

Very truly yours,
